## **2. THE INSTITUTION VISION AND MISSION**

### **GENESIS**

NEC, the most prominent landmark of Kovilpatti, has been the crowning glory of this Matchless City of Matches. Its celebrated 'Son of the Soil' Thiru.K.Ramasamy transformed the entire social and cultural scenario in and around this small town by establishing the excellent educational institution popularly referred to as "NEC". By wielding the magical wand of social commitment and munificence, this foresighted philanthropist transformed a strip of barren land into a magnificent academic complex that consistently produces infallible engineers of high competence right from its inception in 1984. This much-acclaimed temple of erudition was established under the self-financing scheme sanctioned by the Government of Tamilnadu G.O. No. 939 dated 20.07.1984 by the National Educational and Charitable Trust, Kovilpatti, Thoothukudi district.

The programmes offered in NEC are approved by AICTE. It has been accredited by National Assessment and Accreditation Council (NAAC). NEC offers 6 UG programmes, 5 PG programmes, and 6 Research Centers for PhD Programmes.

### **VISION**

- Transforming lives through quality education and research with human values

### **MISSION**

- To maintain excellent infrastructure and highly qualified and dedicated faculty.
- To provide a conducive learning environment with an ambience of humanity, wisdom, creativity and team spirit.
- To promote the values of ethical behavior and commitment to the society.
- To partner with academic, industrial and government entities to attain collaborative research.

### **3. GUIDING PRINCIPLES**

#### **Leadership:**

The Institute's leadership at all sites and in all capacities communicates the institution's goals and values; facilitates teamwork, collaboration and partnership; rewards achievement of desired outcomes; support continuous learning and improvement; and encourages innovation and the capacity to respond to change. In doing so, the institute's leadership encourages each employee to take active responsibility for the mission and vision of the Institute and foster the development and use of each employee's capability.

#### **Quality of Employment:**

The Institute is committed to create a sustainable workforce of highly qualified faculty and staff, to provide a positive environment of work for all and one that encourages balancing work and personal commitments.

#### **Compensation, Reward and Recognition:**

The Institute's compensation, reward and recognition are administered fairly and equitably strengthening the tie between pay, performance and organizational success for activities like Excellence in Academics, Placements, Admissions, Research, Paper Publications in reputed journals, Consultancy, Funded projects, Patents etc.,.

#### **Continuous Learning and Development:**

The Institute values and supports continuous learning, while understanding that continual learning is a core responsibility of each employee. To that end, it will provide structured development that integrates institutional mission, organizational and individual needs, and performance expectations.

#### **Response to Change:**

The Institute is constantly preparing itself for the challenges of the future. In doing so, during periods of changing needs, the Institute creates opportunities for employees to acquire the needed skills including soft skills through HR/ Management development training programmes to continue to advance the mission of the Institute.

During times when reduction or change in the nature of the workforce is required, the Institute will rely on attrition to the extent possible.

**In support of these principles, the Institute commits adequate resources for equitable support to employee development, compensation, reward and recognition among all employees in all cadres**

#### **4. GOALS – SHORT TERM, LONG TERM AND QUALITY POLICY**

##### **SHORT TERM**

- Respecting college students as budding engineers and scientists embarking adventure towards innovation and invention.
- Nurturing freedom of idea and expression and inspiring a experience of quest.
- To bring 100 % career settlement for students in Core, Product based and IT industries
- To put together college students for careers throughout an extensive variety of science, engineering, mathematics, and technology disciplines.
- To enhance the self-learning skills among the students
- To tie-up with national and international industries to create industry-ready students.

##### **LONG TERM**

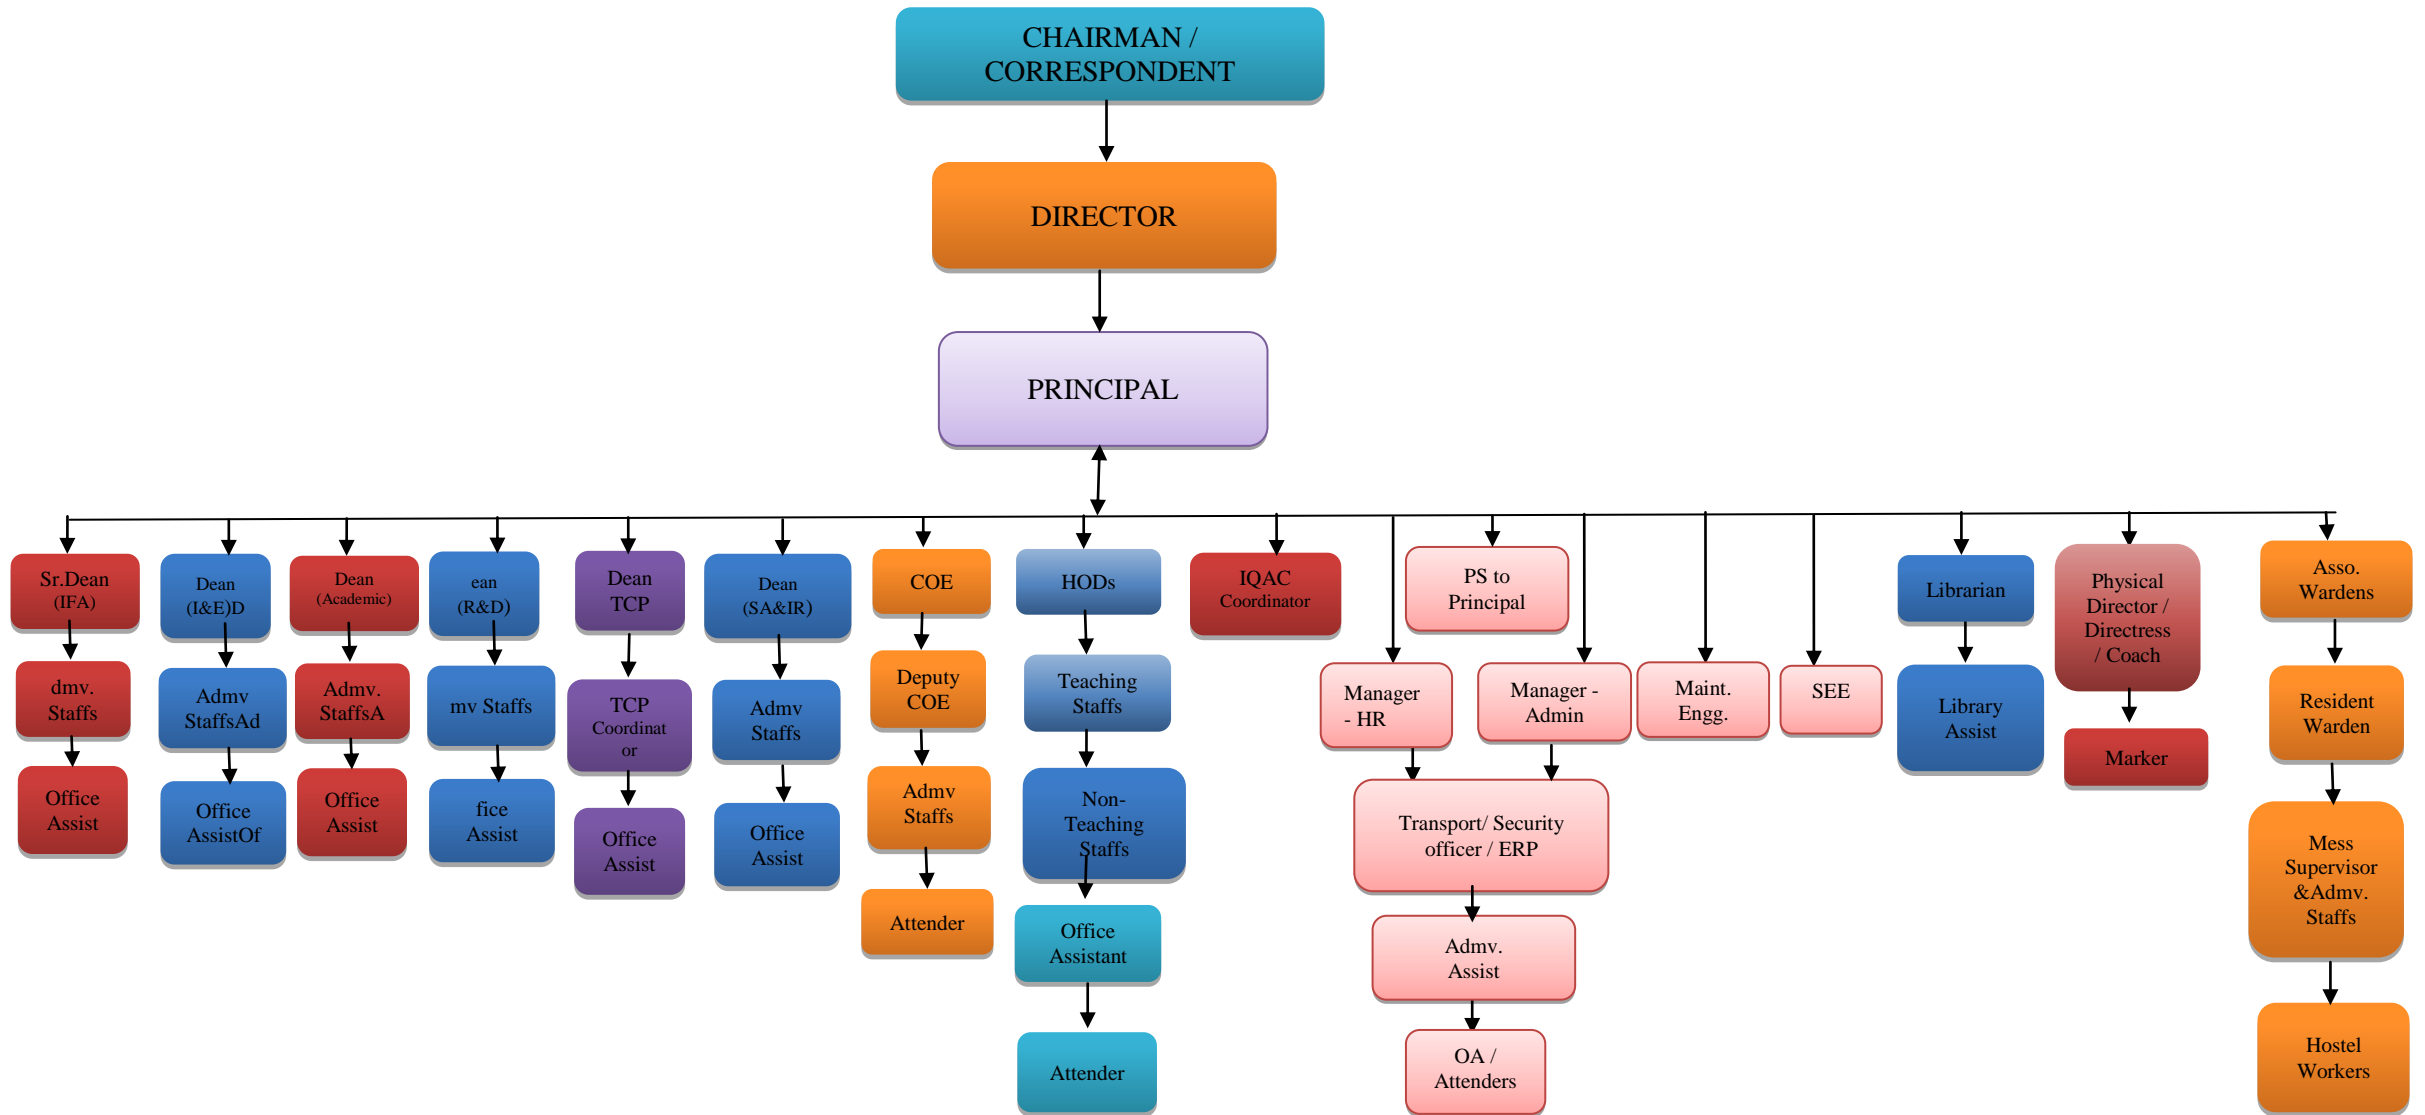

- To enrich the potentials of training programme for grooming the technical and soft skills for the students
- To implement an efficient system that creates the scholars to induce involvement in improving professional and entrepreneurship skills with social and environmental importance

##### **QUALITY POLICY**

NEC is committed to the culture of quality through the process of continual monitoring and improvement by developing a student centric approach which provides a conducive teaching-learning and research environment with the ambience of creativity, wisdom and team spirit to orient the talents of students with human values for making a positive contribution to society.

This would be achieved by meeting legal, statutory and interested parties requirements.

- The Faculty Member should be strict but not harsh. Never use harsh words, which would hurt the feeling of students.

## **Roles and Responsibilities of Faculty members**

### **B1. General Part**

- a. Every faculty member must follow the code-of-conduct of the institution / Governing body / AICTE / UGC / Anna University / higher education of the state and should not indulge himself / herself in an activity which can be detrimental to the reputation of the institute.
- b. A faculty member will be governed by the rules and regulations, service conditions of the institution that may be in force from time to time or amended or modified at any time by the Authorized authority / Managing committee during the entire service
- c. No faculty members are expected to indulge in any acts of misconduct as prescribed or any other acts of indiscipline.
- d. The faculty members are not permitted to talk to any students /staff members in isolation of any places including laboratories and should accompany with a minimum of two or three students / staff members whenever a discussion / meeting is involved.
- e. The faculty member should discharge duties by himself / herself honestly, efficiently and diligently under the orders and instructions of the Principal and other Authorized Officers of the institute under whom he/she shall from time to time be placed and in

which capacity he/she will discharge all such duties pertaining to that office and do all things which may be required of him/her or which are necessary to be done in his/her capacity as aforesaid and will make himself/herself in other respects generally useful as may be required of him/her.

- f. The faculty member shall devote his/her whole time and attention to the duties of the said employment and shall not on his/her own account or otherwise either directly or indirectly carry on or be concerned in any trade, business or canvassing work, private tuition or any other remunerative work without the specific sanction of the First Part.
- g. The faculty member will conduct himself by strengthening his characteristics in developing a work culture / discipline and standards for a purposeful, productive and professional collegiate environment which will be highly conducive to teaching and learning by upgrading their qualification and knowledge
- h. The faculty member shall maintain the confidentiality in respect of examination, evaluation, student disciplinary decisions and other related items and will exercise utmost care and attention in keeping the confidentiality of required data and information.
- i. The performance and progress of the faculty members will be periodically assessed by the appropriate authorities and if found unsatisfactory at any time during the services of the faculty member, appropriate action as deemed fit by the Head of the Institution and Management will be initiated against the faculty member.
- j. The faculty member shall be entitled to have his/her services **relieved** either by giving to the First Part three months' notice thereof in writing or by paying the First Part three months' pay and allowances and the norms as applicable for relieving of them from duty.

### **B.2. At Department Level**

1. Every faculty member must deliver a technical seminar at least once in each semester to other faculty members.
2. Every faculty member should maintain student's attendance records and the absentees register number should be noted every day in the ERP portal as soon as the classes/laboratory hours are over. If the faculty finds the continuous absentees in lab and theory hours, report to their parents through tutors and bring it to the knowledge of HOD.
3. The faculty member should make himself / herself presentable and should show no partiality to any segment / individual student.

### **B.3.Students Part**

- Deliver lecture with high pitch and low pace, and, as much as possible in English and Tamil. To develop interest among students, experiments should be performed by faculty members along with students, not by lab technicians.
- Record of the poor performers (of previous semester) be taken from academic test results and those students has to be given considerably higher attention than normal students. Also inform low performing students to parents through their tutors for further actions.
- Monitor the attendance of students and inform the concerned tutors, if a student is absent for continuous three days for further action (calling their parents).
- Evaluation of the answer sheets is very important aspect of academics. Answer scripts (especially during internal examinations) should never be evaluated on the basis of the general impression of the student in the class. Utmost care need to be taken towards checking the quality of the answers in the scripts (including the language). A minimum of 10 - 12 minutes should be devoted to evaluate an answer sheet (thus not more than 5 - 6 answer sheets should be evaluated in one hour to keep the quality of the evaluation process).
- Also, student must be informed that he / she will be permitted to see his/her answer sheets and sign that their marks are properly awarded in their answer sheets and discrepancies if any to be looked into and to be ensured that it is corrected appropriately. Further, original marks must be awarded to the students so that they work hard to earn marks. The same must be communicated to the students effectively. Inform students that those who did not attend classes/performed practical in last semester have been given minimum marks / as per college academic norms.
- Prescribed text books to be followed during discussion of each topic in the class. Importance of the text books reading habits should be inculcated among students by conducting reading assignments prior to the conduct of the topics being covered.
- Do not skip any topic altogether. Rather, it should be first discussed in the class and then corresponding notes may be distributed (if required).
- Ask and ensure the students to submit the tutorials/ assignments regularly. Take the attendance with students' name rather than their roll numbers and keep track the irregular (low attendance) students in the class.
- Encourage the students to ask the questions in English or Tamil during teaching, seminar, viva-voce etc. Encourage all the students to explain any of the topics on the dais in English as well as in Tamil.
- Correct the applications / letters of students on the spot for improvement of their language skills and inform their mistakes gently.
- Take care of time, in/out of the institute/class (self-discipline) and inculcate high level of professional etiquettes.

- The code of conduct as prescribed by the institute to be very strictly adhered by the students and it is the collective responsibility of all the faculty members for the growth / benefits of the students' community.
- Compliance of wearing of ID cards / helmets inside the campus also to be ensured by faculties. The students' ID-cards need to be checked randomly in the class, may be at the beginning (sometimes by glance through, sometimes by rigorous check). Habitual offenders' names need to be recorded at the class level.
- Proper dress code need to be checked and complied. For compliance of dress code, lady faculty should counsel girl students and gents' faculty should counsel boy students.
- The smart mobile and laptop policy of the institute to be followed by the students very strictly. If students are found using mobile in class hours then it must be confiscated and be sent to the department / institute discipline committee for appropriate action.

Discourage the students against use of foul language: This is a collective responsibility of faculty members to intervene appropriately and counsel students for correctional behavior as and when they are found indulging in such practices. The student may be in habit of speaking foul language

## **8. COMMITTEES FOR VARIOUS RESPONSIBILITIES**

## **11. HUMAN RESOURCE POLICY / SYSTEM**

### **PREAMBLE**

The Management and Principal understand that the college should have effective human resource policy right from recruitment to retirement. Since laws concerning employment issues are constantly changing, it is important that our policies are updated from time to time and all the employees are kept abreast of them.

This Manual does not supersede the requirements of the statutory / non-statutory bodies like AICTE, UGC, Anna University or any other relevant body. It is aimed at ensuring that National Engineering College, K.R.Nagar, Kovilpatti adheres to those, so as to become an employer of choice while spearheading its goal of value based quality education meeting global aspirations.

This Human Resource Policy aims at to develop consistent policies and procedures. Hopefully this will prove to be a useful tool to department heads / all faculties / all supporting staff members and all other employees as well as begin to establish uniform policies and procedures for our personnel.

The Management is committed to help in the interpretation of any policy. All employees are expected to read the Human Resource Policy during each term in order to know the policy updates made from time to time. Updates will also be informed to employees through circulars by emails. Any

update is made as and when required with the permission of the management of the institute and as per the statutory requirements.

A sincere effort has been made to create human resource policies anticipating future needs and issues in a manner easy to understand for most users. Effective contributions to work towards the policies are expected from all the employees.

Any ambiguity / clarifications / doubts that arise out of the interpretation of the text of these policies shall be cleared through the rules and regulations lay down by Anna University / Management. In case of conflict of rules laid down by AICTE, DOTE and Anna University a proper decision on a specific matter is left to the sole discretion of the Principal / Director / Management. These policies shall not remain a sacred document and may be subject to periodic amendments depending on the needs that arise from time to time.

## **21.FACULTY PERFORMANCE APPRAISAL SYSTEM**

### **21.a.Performance Evaluation Policy**

Performance Appraisal/Evaluation is a benefit given to the employees in order to form a proper job matrix in the Institute. It helps the employees for self-development, student enrichment and contributes more towards the growth of the Self and Institute. The Performance Appraisal System consists of the following. consists of the following.

#### **A) Self Appraisal**

The faculties are expected to evaluate themselves (Self-Appraisal) on the various criteria laid down in the Performance Appraisal Format. The criteria has been evolved according to the cadre from Assistant Professor to Professor and filling the said data through online is made. The faculty members will be advised to enter the data through online at the end of the academic year for claim of marks by the individual faculty for each and every criteria defined in the Faculty Performance Appraisal format. An Academic Audit will be conducted for validating the data / evidences being entered by the faculties and changes if any will be made by the audit committee accordingly with the faculty consent.

#### **B) Review Based Appraisal**

A Review Based Appraisal by the External Experts from Anna University, NIT, IIT and other reputed institutes will be conducted for the cadre of faculty members in Assistant Professor and Assistant Professor (Senior Grade). No review based appraisal for the faculties in the cadre of Associate Professor and above.

#### **C) Other Criteria**

The Students Feed Back, HOD and Principal / Director Evaluation is also evolved.

### **Performance Appraisal Committee**

On completion of the above, cadre wise analysis will be made by the Faculty Development Section and will be put up to Principal / Director by them. After perusal of Principal / Director, the faculty members whose performance is not up to the expected level will be asked before the Performance Appraisal committee and the committee will grade the performance as follows:

#### **Grade A**

Performance is only at satisfactory level and usual benefits may be given with warning

#### **Grade B**

Performance not up to the expected level and to be improved in coming years. The increment may be sanctioned after assessing the performance during next year

#### **Grade C**

Performance not satisfactory and may be relieved from the service

The increment / appropriate action will be taken based on the External Experts Grading and it will be communicated to the faculty members concerned.

The Cadre wise Criteria I ) Abstract and II) Performance Appraisal formats are as follows:

**Factors / Abstract of Faculty Performance Appraisal Scheme**

**I-Cadre wise self-appraisal and review based appraisal factors**

## **II. Performance assessment / development other factors**

- Academics
- Faculty Mentoring & Counseling
- Service to the Department / Institution
- Faculty Professional Development

### **Academics:**

The Faculty performance in Academics is evaluated during every semester. The academic performance is evaluated using the following parameters,

1. Course File & Lecture Notes
2. University Exam Result (Pass %)
3. University Exam Results Subject Average
4. University Ranks
5. One Subject Failure

### **Faculty Mentoring / Tutoring & Counselling:**

Every Faculty is a Mentor / Tutor and for every Mentor 20 students are assigned as their Mentees. The Mentor / Tutors is responsible for their Mentees development in Academics, Extra-curricular/Co-curricular activities, Sports, placement training and personal counselling. The performance of the Mentees reflects the performance of the Mentor / Tutor (Faculty).

### **Service to the Department / Institution:**

The Faculty performance is also evaluated by taking into account the amount of work done in their respective department for its development and their contribution towards Institution growth. The following factors are taken into account for evaluation the Faculty

#### **1. Department Activities**

- a) Project Coordinator
- b) R&D Coordinator
- c) Time Table Coordinator
- d) PG Coordinator
- e) Placement & Training
- f) EDP Cell Coordinator
- g) Training Coordinator
- h) Alumni Coordinator
- i) Internal Test Coordinator
- j) Department Library I/C
- k) Website I/C
- l) Design Project Coordinator
- m) Lab In-charge
- n) Dept Brochure Preparation
- o) News Letter I/C
- p) New Lab Development

## **2. Extension Activities**

- a) Association I/C
- b) Industrial Visit coordinator
- c) Value Added Courses
- d) Arrangement of Industrial Visits
- e) Parents Teachers coordinator
- f) Arranging Guest Lectures
- g) Signing MOU with Industry
- h) Consultancy & Industry relation
- i) Arranging Placement

## **3. Institution Development & Documentation**

- a) AICTE & AU Affiliation
- b) NBA Program Coordinator
- c) NIRF ranking
- d) NAAC
- e) Organizing Symposium, Workshops, Seminars etc.,
- f) Organizing National Conference
- g) Organizing International Conference

## **22. DISCIPLINE POLICY, CODE OF CONDUCT, MISCONDUCT AND GRIEVANCE PROCEDURE**

### **22. a. DISCIPLINARY ACTION POLICY**

It is obligatory for the institution to set and maintain satisfactory standards of Discipline and Code of Conduct at work. Employees are clear about the standards that are expected from them and about the consequences in case they are not met. Disciplinary arrangements are therefore an important part of an institution's overall responsibility. Although disciplinary action involves sanctions against an employee, the primary purpose is to maintain and improve standards.

- i. The purpose of these procedures and disciplinary rules is to establish equitable and consistent standards throughout the institute and to ensure that disciplinary action is fair and reasonable in the circumstances of each case.
- ii. Normally no formal disciplinary action is taken without some informal counselling where the employee is made aware of any shortcomings in standards or in behaviour, and these shortcomings have been discussed between the employee and the Head of the Department.
- iii. It is hoped that most of the difficulties that arise, could be resolved through counselling. However, the disciplinary procedure may be implemented at any stage if the alleged misconduct or unsatisfactory performance warrants such severe action.
- iv. The Head of the Department will outline the cause of concern and the students / employee will be given an opportunity to state his/her case. Head of the Department are required to provide appropriate prior notification of any allegations and any evidence, in accordance with natural justice. A written record of all disciplinary hearings and appeals are kept.
- v. If the conduct of an employee is not satisfactory, he/ she is required to attend a formal disciplinary enquiry committee for misconduct appointed by the Principal.
- vi. The acts of misconduct have been prescribed in the Annexure - I and any omission of misconduct shall also be included from time to time.

## **22. b. DISCIPLINARY ACTION PROCEDURES**

1. Any teacher / staff member, who is violating the code of conduct will be subjected to appropriate disciplinary action by the Principal / Director.
2. If a teacher / staff member commits an act of misconduct by violating the code of conduct, anyone can report in writing to the Principal.
3. The Principal shall hold a preliminary enquiry on the matter, by calling the person on whom the report is given, as quickly as possible and such enquiry shall be held in presence of the complainant.
4. If the Principal is satisfied with the facts of the Complaint, he shall appoint a preliminary enquiry committee for proceeding with the disciplinary proceedings depending upon the veracity of such violation.
5. Based on the report of the preliminary enquiry committee, the Principal shall proceed with issuing a Show Cause Notice, fully describing the acts of misconduct and the action proposed to be taken by giving sufficient time for the accused teacher / staff member for giving his / her explanation.
6. On receipt of the explanation, or after the expiry of the time stipulated for submission of explanation, the Principal shall go through the merit of the explanation and decide on the course of disciplinary action in case of unsatisfactory explanation.
7. Depending upon the seriousness of the misconduct and explanation, conducting of domestic enquiry will be decided by the Principal
8. The disciplinary action involves following categories of action against a teacher / staff member:
  - a. Memo and Censure.
  - b. Warning in writing, with recovery of money, where financial loss is involved in the act.
  - c. Suspension from work.
  - d. Dismissal or discharge from service.
  - e. Any staff member repeating misconduct will be given punishments mentioned in c or d.
9. Where the punishment proposed is in the categories c or d the Principal shall constitute a domestic enquiry committee to go into details in the presence of the accused, giving fair opportunity to the accused to present his/her case, observing principle of natural justice.
10. The Principal shall report the proceedings periodically to the Director / Management.

### **22.c.CODE OF CONDUCT FOR ADMINISTRATORS**

- Administrators should make all their decisions based on the best interests of the students, staff members and institutions. Ethical administrators should not put their interests above greater / good of the institution.
- Administrators shall provide professional educational services in a non-discriminatory manner.
- Administrators shall take reasonable action to provide an atmosphere conducive to learning.
- Administrators shall not misuse professional relationships with students, parents and caregivers, staff, or colleagues to private advantage.
- Administrators shall not knowingly make false or malicious statements about students, students' families, staff, colleagues and institutions.
- Administrators shall not engage in conduct involving dishonesty, fraud, or misrepresentation in the performance of professional duties.

### **22.d. Code of Conduct for Faculty Members**

Teaching is a very sacred profession and plays a very important role in nation building. In a developing nation like ours, a teacher has a greater role to play in shaping the character and career growth of the students. Besides this, role of a teacher paves an everlasting impression in the development of society at large. All these attributes are expected to contribute in a long way to make a vibrant and strong institution / state / nation. With a holistic view to achieve the national and social objectives, it is essential that all the faculty members imbibe the organization's rules and regulations to abide by and display a good conduct so that the students consider their teachers as their role model. Hence, the code of conduct is evolved for the faculty members and it is as follows

1. A faculty member must believe that he / she has responsibility to shape the future of the students and therefore the duties of a faculty member do not end by completing mere the course contents and leaving the rest of practices to the students. It is to be understood that all students will not be self motivated. Such students may need regular counseling in various forms. A faculty member is expected to continuously make efforts to devise new ways and means to counsel and motivate the students towards studies and career growth.
2. In order to achieve this, a faculty member should deliver lectures well prepared with theory and practical examples of the subject. Use appropriate pictures/handouts and demo videos to explain the content. Encourage students (if required make compulsory for the students) to involve them as individual or group, turn by turn to actively engage in the classroom towards active learning. Use Tamil and English to the extent required as medium of communication for such discussion.

3. A quality and high standard teaching is only possible when a faculty member is dedicated to the profession by making the students learn the subject of teaching. Dedication and self-motivation are complementary to each other. A dedicated faculty member must seek his / her future advancements in teaching profession. A faculty member must articulate his / her dedication towards the development of the students' community. Needless to say that although dedication is un-measurable and intangible but its impact can be felt.
4. A faculty member who is supposed to be a good thinker must evolve new methodology to improve the system, academic environment of the institute and suggest ways and means to implement it.
5. In a diversified learning environment, person-centric counselling of the students is required and is the responsibility of each faculty. If the student appears to be not convinced from the counseling, he / she should be given full opportunity to put forward his point of view, inside or outside the classroom, and faculty member must act wiser to explain what is best in the interest of a student.
6. Faculty member should avoid arguments with students in front of everybody. Converse and communicate with the student the outcomes which they may face, today or in future life, due to their attitudes, inadequate communication with the faculty members/ seniors etc.
7. Many a times, it happens that the student is not always at fault. So, communicate politely and respectfully so that a good rapport with students gets maintained. In such situations, keep this proverb in mind: "***give respect to command respect***".
8. Behavior of the faculty member with the students should portray dignified authority and command with compassion and affection for them. Ultimately faculty member should be able to convey to the students that they are being taken care for their curricular, co-curricular and extra-curricular developments inside / outside campus.
9. The faculty members should establish the contact with students / staff members in a decent manner and any excesses / personal matters which may affect the reputation will be construed as misconduct.
10. It is the duty of a faculty member to report any act of in-disciplinary behaviours being noticed by him / her within the campus. Also, as far as possible faculty member should intervene to bring such behaviour in control and make an effort to bring it as a desired order and situation.
11. Though everybody has a right to look after his / her own career development, a faculty member should refrain during college hours from any such activity like preparing for competitive examinations to seek employment outside and / or applying outside in other organizations towards seeking employment or doing higher studies. All such activities are private matters of individual faculty member and the same should not be carried out during working hours within the academic area / campus of the institute. It is expected that faculty members shall not keep any material with them or in their departmental cabin other than subject text books, class notes and the related material like the answer sheet submitted by the students etc. Anybody found indulging in such activities will call for a disciplinary action against him / her.

12. Except during the lunch hours, a faculty member must be present within the department and / or within the academic area of the institute and must avoid holding private meetings with other staff member / faculty member during the college hours to discuss the topics other than academics.
13. The teaching staff members are permitted to contact the students through their mobile for academic purposes only.
14. The teaching staff members shall not share any personal, political messages/videos/photos through any digital media such as whatsapp, face book, twitter etc., to any of their students / staff members which may cause disrepute to the college and such acts will be construed as misconduct.
15. Behavior of the faculty member with the fellow staff member / faculty member during the college hours, especially before the students, should be very decent which could be set as an example to follow. He / she should not criticize fellow staff member / faculty member and the administration in front of the students which may cause ill will among the students towards the faculty

#### **22.e. GRIEVANCE PROCEDURE**

1. The Principal shall evolve the Grievance procedures to redress the Grievance of the teaching and non-teaching staff.
2. The Grievance of the staff members / students shall be taken up with Managers, Head of the Departments, Deans, Principal / Director.
3. The Principal may constitute a committee based on the seriousness of the grievance which warrants a meeting to be commissioned immediately to redress the grievances.
4. The grievances shall be redressed immediately by the authority concerned
5. If the grievances are not redressed in time, it will be taken up with Principal / Director.
6. The grievance handling authority shall record and maintain the minutes of the meetings.

## **27. RECENT NORMS / CIRCULARS**

### **I. Published Dated – 27.04.2022 - Prohibition of mobile phone usage by non-teaching staff members from 28.04.2022**

Due to **EPABX (Electronic Private Automatic Branch Exchange) problem**, the usage of mobile phone was allowed instead of intercom for official communication purposes.

Since, the EPABX – Intercom is in working condition now, the earlier policy dated 11.01.2017 on prohibition of mobile phone usage by non-teaching staff members will come into effect from 28.04.2022 onwards (**The policy is attached for reference purposes**).

We also wish to inform the following in this regard.

- a. The non-teaching staff members are not permitted to contact the students through their mobile and the students may be contacted through college landline / college mobile numbers under unavoidable circumstances.
- b. The non-teaching staff members are advised not to share any personal, political messages/videos/photos through any digital media such as whatsapp, face book, twitter etc., which may cause disrepute to the college and such acts will be construed as misconduct.

**Note: The HODs / Managers are requested**

#### **1. For Non-Teaching**

1. Not to permit the usage of mobile phones during the working hours of the college and ensure proper implementation of the same as it affects the work efficiency / discipline and also leads to undesirable activities.
2. Keeping mobile phones in their hands, near seats, table, etc., is not permitted.

#### **2. For Teaching**

1. To discourage teaching staff members not to ask non-teaching staff members to communicate to students through their mobiles during working hours
2. The points as mentioned vide circular date 11.01.2017 that “The teaching staff members to whom, the mobile phones are issued by the college can make use of it for official calls/purposes and other teaching staff members can use the Mobile Phone for Personal purposes only during Lunch interval timings”

#### **IV. Published dated - 14.10.2022 - Relief and Notice period norms -**

##### **A. Agreement on Joining**

1. They should not leave the institution during the academic year and they should serve in the institution till the end of this academic year.
2. If they want to get relieved during the end of this academic year, they should give three months notice well in advance.
3. If anybody wants to get relieved, they will be permitted only at the end of the academic year and the notice period is three months. As per the college norms, they should serve in the Institution for minimum one year.
4. If the staff member wish to apply of Govt. or any other jobs, they should get prior written Permission from the management before submitting their application

##### **B. Undertaking on Joining by New Faculty members and others in the year 2018**

###### **Clause 6**

“That I shall not leave the institution during the middle of the semester / academic year and I shall serve the institution till the end of the semester / academic year/ However,. If I wish to get relieved due to unavoidable circumstances during the end of the semester/academic year, I shall give three months notice well in advance or pay three months last drawn gross salary in lieu of the notice period. I also agree to pay any others loans, advances and dues and fulfill other terms & conditions of employment and all agreements/undertakings that are in force before my relief”

###### **Clause 7**

”That if wish to apply for Govt. or any other jobs, I shall get prior written permission from the Management before submitting the application and will get relieved by fulfilling the terms and conditions of appointment, rules and regulations of the college in case of my selection of the said job.”

###### **Clause 11**

”On account of breach by me of any terms and conditions of the employment or any agreement, undertaking, I accept and assign the institution for any legal or any other action as deemed fir against me such as sending notice, filling suits, [proceedings, claim, loans and advances and demands of expenses and damages arising in any manner whatsoever”

##### **C. Appointment Order – Employment terms and conditions**

###### **Para 4**

“You should not leave the college before the end of this academic year”

It is reiterated that the management does not interfere in the rights of the faculty members in leaving the institution for various reasons including their betterment. The management also always ensures for smooth settlement while leaving the institution by faculties at the end of the academic year on fulfillment of resignation / relief norms.

Despite the above and also our repeated information / circulars, it is very often observed that few faculties are submitting the resignation with three months notice for their relief at the end of the semester or immediate relief during the middle of the semester for various reasons including marriage etc.,

This shows unfair professional ethics on the part of the faculty **which affects the students community for which the institution stands for** and also the breach of trust and other terms, conditions of service rules, agreement, undertaking etc., by the faculties **including maintaining of SFR (Student Faculty Ratio)**.

**However, the service certificate, relieving order and other related certificates with regard to their service in the institution will be issued either**

- a. **immediate relief due to Govt. jobs on remittance of three months notice period payment**  
(or)
- b. **at the end of the academic year for marriages, transfer of employment for the family members, business and other such private reasons even if the faculty member leaves the institution under emergency conditions.**

**This is applicable for the faculty members who have submitted resignation and requested for relief during the Odd Semester of 2022-2023 for various reasons including marriage, etc.,**

Hence, the faculty members are advised once again to follow all the norms, rules and regulations sincerely, promptly of the institution **for the betterment of the individual and institution**. Not following or breach / violation of norms, undertaking will be viewed very seriously and appropriate disciplinary action will be initiated against the faculty members.

## **VI. Published on 23.11.2022 – Policy for establishing NEC Technobation Center**

### **1. Technobation Center**

A Technobation Centre is a cross-functional platform that creates a haven for new ideas and provides industrial exposure for students and faculty. With opportunities for industrial collaboration across the national and international levels, it's a place that fosters a culture of innovation through the creation, sharing, and testing of ideas. Technobation centers are powerful because they allow an organization to be purposeful in approaching innovation in cutting-edge industry technologies.

Technobation Centre can be set up at the NEC campus as part of the social responsibility and commitment to the inclusive development of our rural students, with an objective to equip students with outstanding skills for improving employability.

It should provide support and training to the students and faculty members in converting their ideas into products for social development. The technobation centre can be set up for the students to increase their imagination to accelerate critical thinking and to provide industrial exposure for enhancing the domain knowledge and skills for developing innovative products. Through the Technobation Center, students gain hands-on experience in emerging technologies, innovation and entrepreneurship while being nurtured and encouraged by faculty, management and industrial experts.

### **2. Objectives**

The following are the objectives for establishing the technobation centers in our college:

1. To promote a culture of innovation and creative problem-solving skills
2. To promote knowledge sharing and collaboration amongst industry, academia, government Institutions, research laboratories, etc.
3. To serve as a location for the industrial collaborators to encourage new product development on the campus using in-house facilities.
4. To serve as a place that imparts design-based education and to practice systematic design through projects.
5. To facilitate interdisciplinary design-focused education, research and entrepreneurial activities to create commercial opportunities and build partnerships between academics and industry.
6. To promote interactions/collaborations with the institutes/organizations worldwide working in the areas of design and innovation

### **3. Level of the Company:**

For setting up Technobation center at NEC, either the companies express their desire or NEC identifies the companies which satisfies the following requirements.

1. The company should have been involved in system engineering, and product design focusing on any specific domain in emerging areas.
2. The company should preferably be ISO certified and possess other certifications in technology, design and systems engineering. It must provide end-to-end solutions for product design and application deployment.
3. The company, whether service-based or product-based must be a reputed one with a minimum of 5 years of experience in designing, developing and delivering the most innovative products.
4. The company should preferably be multinational in its operations.
5. The company should have high-performing technical teams and disciplined project management to inspire and deliver challenging solutions.
6. The company must have sustainable clients, sustainable growth in the industry sectors, and positive feedback from the stake holders.
7. The company should have a multi-crore turn over yearly.
8. The company should preferably be owned by NEC Alumnus.

#### **4. To be offered by the company**

The following services are to be rendered by the company:

1. The industry should recruit a minimum of 10 students yearly from NEC for its work force who qualifies the minimum recruitment criteria providing a minimum of 5 Lakhs per annum (5 LPA).
2. A minimum of 2 experienced company trainers should be available at technobation centre on our campus for training and internship.
3. The company technical leads should be available for additional specialized classes via online or occasional direct weekend classes.
4. The Technobation center may be connected to the company through a cloud network directly, and it will be secured from the college / public network.

5. The established technobation centre must participate in our curriculum design process by providing elective courses in their domain and offer such courses for the students in the 5<sup>th</sup> and 6<sup>th</sup> semesters to earn their credits.
6. Before starting the credit courses, they should offer upfront training for the faculty about the course contents at its company / NEC campus.
7. The company should conduct a selection process for campus placements of students at NEC in either 5<sup>th</sup> or 6<sup>th</sup> semester.
8. In Phase 1, it should provide training to a minimum of 50 students in 5<sup>th</sup> or 6<sup>th</sup> semester as per their requirement of industries.
9. In Phase 2, it should provide training/Internship(non paid) for the recruited students in 7<sup>th</sup> semester in their emerging areas of the industries.
10. In Phase 3, it should provide mandatory Internships in the 8<sup>th</sup> semester with a stipend of a minimum of Rs.10,000 per month for the recruited students.
11. It may give live projects to the students during training and Internships.
12. It should provide consultancy work to the faculty through the institution.
13. It should conduct coding contests, hackathons and technical events for the students periodically.
14. The company should use its furniture, computers, training aids, hardware, UPS and internet services for their services at technobation center at our campus.
15. The company should run at the technobation center at our campus with its regular professionals and their functionalities.
16. The students have to sign a Non-Disclosure Agreement (NDA) to utilize the IC resources of the company like laptops, mobile phones, etc.,

#### **5. To be provided by NEC**

1. Space for establishing Technobation center to cover training hall, project/training desks, workstations for industrial employees, server room, record room, storeroom, discussion area, refreshment desk, etc.
2. Power connection with air-conditioning (with UPS supply if available).
3. Opportunity to recruit meritorious students for campus placements and as interns at the end of the 5<sup>th</sup> or 6<sup>th</sup> semester.

#### **6. Signing of MoU**

After ascertaining the credentials of the company as stipulated above and with the approval of the management, a Memorandum of Understanding (MoU) between National

Engineering College represented by the Principal and the company represented by the President/Vice-President can be signed.

#### **7. NEC-Technobation Coordinator**

### **XII. Published on 30.09.2023 – Transport facilities for Hostel students / Day Boarders – arrangement with govt. intimation**

This is to inform all Hostel Students and Day Boarders (not using college buses) that a transport facility has been arranged on **all Saturdays** at **5.30PM** through Tamilnadu State Transport Corporation to the following routes based on their request.

S. No	Bus Route
1	Kayathar, Gangaikondan, Sankarnagar, Tirunelveli
2	Ettayapuram, Tuticorin
3	Kovilpatti Old Busstand

These buses will start at **5.30 PM** from our college campus. Hence, all Hostel Students and Day Boarders (not using college buses) are requested to use this facility.

All HoD's should ensure that the students do not leave the campus before **5.20 PM**

**XIII. Published on 07.10.2023 – Alumni Association Activities**

**Dr.D.Vigneshkumar, Associate Professor / Mech is appointed as Associate Coordinator – Alumni Association Activities** in addition to his academic responsibilities.

**XIV. Published on 09.10.2023 – Mobile phones, laptop and two wheeler usage policy for Students –  
Reminder**

**I. Mobile phones / laptop usage policy for Students – Reminder - reg.**

**Ref: 1. Our circular dated 11.02.2021**

**2. The suspension of students order dated 07.10.2023 and various circulars on the said subject and its Disciplinary action**

Refer the above said circular wherein it is clearly mentioned that the students must follow the Mobile phones / Laptop usage norms in the college campus, college bus, and hostels very strictly. But it is observed that it is not followed properly and it leads to disciplinary action among few erring students.

The tutors / hostel wardens will get signature in the above said policy / undertaking from the students and parents to whom it is not obtained and will keep it in tutor / hostel records.

All department faculty members, non-teaching staff members and security guards are empowered to report to the authorities regarding the misuse or violation of above norms and any interference by students is not permitted.

Any violation of the above norms / policy will lead to suspension, discontinuance from the college.

**II. Two wheeler usage by students inside the college campus - Strict follow up of norms-reg.**

**Ref: Our circular dated 17.10.2022**

Refer the above said circular wherein it is clearly mentioned that the students must follow the two wheeler usage norms inside the college campus very strictly (**10 points**).

In the above said 10 points, the point no. 6 stated as follows:

**“Point no.6. Creating panic among others by rash driving, creating noise pollution is not permitted”**

But it is observed recently that the students are coming to college two wheeler with modified silencer which creates heavy noise and riding it inside the campus is against the norms as stated in the above said circular dated 17.10.2022.

**The security staff / security officer will monitor the above and will not allow / seize such two wheeler inside the college premises.**

The HODs are requested to ensure proper implementation of the above said policies

**Note:**

**The Mobile phones / laptop usage policy and Two wheeler usage policy by students** is resent now again to all the students for information and strict adherence / follow up of the same.
