INAUGURAL PROGRAMME REPORT

The IEEE Computer Society Students' Chapter inaugural function was held for the academic year 2023-2024 on 24-06-2023 (Saturday), at 3 p.m, Assembly hall. The chief guest of the function is **Ms.Maria Justin Mary**, (PG: Alumni 2005 CSE Batch), Lead Software Engineer, Lowe's Services India Pvt. Ltd., Bengaluru, Karnataka. **Dr. V.Gomathi, Professor & Head** delivered a presidential address and honored the chief guest with momento. The Chief Guest, in her speech, provides guidance about the importance of continuous updation in recent technologies. The students from first year CSE, IT and AI&DS have attended. The office bearers and their responsibilities of the IEEE CS student's chapter for the academic year 2023-2024 were announced and also the action plan was discussed.

Dr.V.Gomathi, Prof & Head Honoring the chief Guest Ms.Maria Justin Mary, (PG: Alumni 2005 CSE Batch), Lead Software Engineer, Lowe's Services India Pvt. Ltd., Bengaluru.

EXPLORING ORACLE LIVE SQL REPORT

The workshop on "Exploring Oracle LIVE SQL" has been organized through IEEE Computer Society Students' chapter on 27.06.2023 (Tuesday), from 10.00 a.m to 1.00 p.m, in ICL Lab of CSE department. The chief guest of the workshop is **Mr. Karkuvelraja, Director - Training & Special Projects, INOAUG** (Alumni 2014 EEE). **Dr. V.Gomathi, Professor & Head** delivered a presidential address and honored the chief guest. The Chief Guest, in his speech, provides hands-on information about exploring the Oracle Live SQL tools. Totally 82 students from third year CSE, EEE and CIVIL have attended. E-certificate has been provided to all the participants.

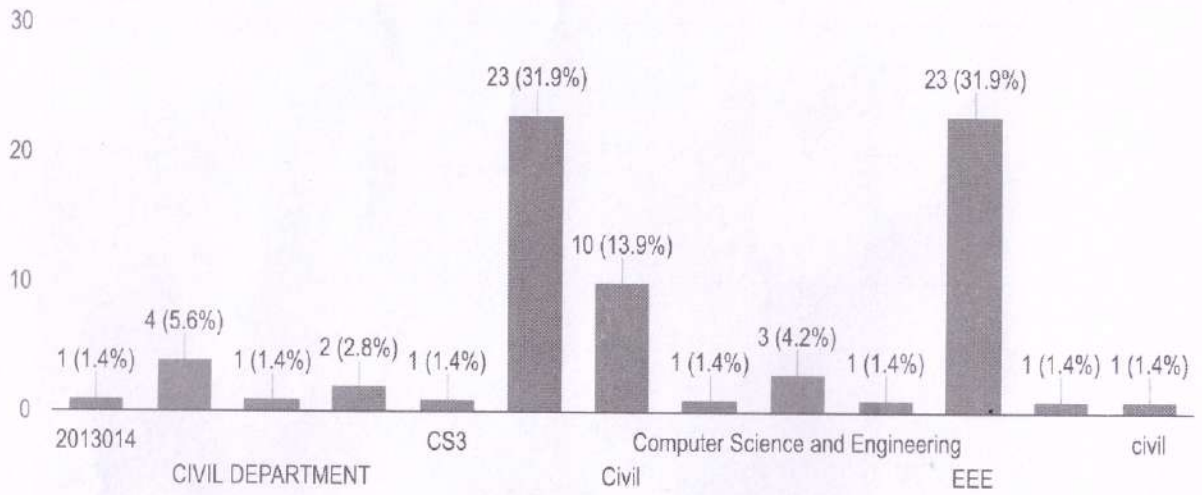

A Student receiving certificate for the workshop from the chief guest Mr. Karkuvelraja, Director - Training & Special Projects, INOAUG and Dr. V. Gomathi, Head of the Department ,CSE

HASH INCLUDE - C Programming

The online Skill Rack Assessment "**HASH INCLUDE**" on C Programming was organized by IEEE Computer Society on 21.07.2023(Friday), from 3.45 p.m to 4.45 p.m in the respective labs of CSE and IT Department. 100 students from both CSE and IT departments have attended this assessment and applied their knowledge on loops in C programming language.

Top performers of the contest are:

S.No	Name of the Student	Department	Rank
1	SHIVRAM U	CSE	1
2	ARUN A	IT	1
3	ARCHANA POWN T	CSE	2
4	MOHAMED IRFAAN A	CSE	2

POSTER CONTEST

Poster Contest on the topic "**Generative AI Tools**" through IEEE Computer Society Students' chapter was conducted on 16.09.2023 (Saturday), from 9.30 a.m to 11.00 a.m, in APJ Lab of CSE department. 64 students from all the departments attended this contest and presented their poster.

Topics are:

AI-The next Transformation, Generative AI for learning and development, Is AI a job savior or destroyer, Top 10 leading AI Products and Role of AI in creative Design

Prize Winner Details

S.No	Student Name	Department	Prize (I/II)
1.	YuvaShri ANNIE GOLDRIN D	ECE/III Year	I
2.	Meenakshi & Vishalya devi. M	CSE/I Year	II

IEEEXtreme Report

IEEEXtreme 17.0 Worldwide Computer Coding Competition preparation series was organized through IEEE Computer Society Students' chapter on every Friday, from **08.09.2023 to 29.09.2023** during 3.30 pm to 5.15 pm, in CSE Department Seminar Hall.

Week 1

Date : 08.09.2023

Session Name : How to secure rank by writing optimum code

Mentor : Mr. S. Sundaram, IV Year CSE

Content:

1. He briefed about what is IEEEXtreme contest

1. Competition

1. Date : Saturday October 28 ,2023

2. Time : 24 hrs (Current day Morning 6 to Next Day Morning 11)

3. Participation:

1. Team Count : MIN = 2 and MAX = 3

2. Programs Solved count is considered for whole Team and Ranking also.

3. Participants should be IEEE Member.

4. Question Pattern

1. Starting from the start of the competition, 2 or 3 counts of question are released, after a span of time like 2/3 hrs.

2. All the released Questions are available for Solving, until the end of the Competition.

3. Questions:

● Questions Count : 25

● Complex in Understanding part

● Tricky

4. Solving methodology

● Any programming Languages are allowed

● Time Limit and Memory Limit are provided for Solving

5. Marks allotment

● Marks allotted for each Test cases passed.

Academic Year 2023-2024

IEEE
COMPUTER
SOCIETY

- Basic marks of N is allotted for Question, and the Basic mark is decreased based on the Solved Count of that particular Question from all the participants.

6. Concepts:

1. Data Structures
 1. Linked List
 2. Arrays
 3. Graph (no further concepts)
2. Gaming Theory`
3. String
4. Basic Algorithms

7. Rules:

1. No pre-defined functions are allowed, like functions in python and other Languages.
2. Both the time and memory limit have to be handled inorder to solve the problem.

8. References

- Previous Year Questions of IEEE Xtreme Competitions.

IEEE CS supported National Level Project Exhibition

20.10.2023

IEEE CS supported National Level Project Exhibition (IEEEPROExpo'23) was conducted on **13.10.2023 (Friday)**. We have received sanction letter from IEEE CS Madras chapter for Rs. 10,000 to organize the event. Totally 100 students from all over TamilNadu and Hyderabad have attended this assessment.

There are 40 batches (105 Students) were participated and present their innovative project works. Out of it, 8 teams were shortlisted for the second round and finally evaluated by the industry expert Mr. Raja Subramanian, Senior Architect, Mistral Solution Pvt. Ltd. The winners were announced. The prize winner's details are,

PRIZE	Project Team And Institution Details	Bank Details	Cash Prize (Rs.)
I	Discovering The Solar System With AR – FX Engineering College	Account Name : MANISH VISHAL G Account Number : 441100250650001 IFSC Code : TMBL0000035 Branch Details : TMB BANK, Thoothukudi Pudukottai Branch-628103	3000
II	Plantify - Mepco Schlenk Engineering College	Name: Aashish S A Account number: 39659608692 IFSC CODE: SBIN0070889 Branch: Villapuram SBI Bank	2000
III	VR color customizable house-Rmk engineering college	Account Name: N.D.Shamyuktha Account Number: 40474447870 Bank branch: Tondiarpet IFSC CODE: SBIN0003306	1000

35 responses

Good

It's really very good experience and delightful on sharing our knowledge.

Exploring AR and VR lab. It gave more ideas about these concepts

it was very useful for us to improve ourselves

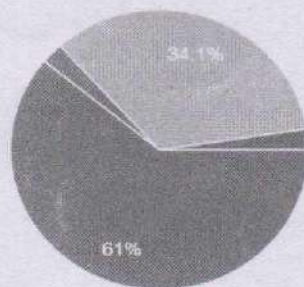

Exploring AR and VR lab gave more ideas about these concepts.

The VR in ARVR Lab was explained to us and the concepts explained were really helpful...

I acquired technical knowledge on the subject what I presented and it boosted my confidence to do more projects in the future events.

Good

This checks my critical thinking and programming skill

It was useful

first conduct the easy level to programs in one week. then medium,hard level of programs conduct next week so in this manner easy to learn

Problems were easy to understand and solve.

THIS HELP US TO KNOW OUR SKILL SET

it lead us to improve our program understanding skills

06.03.2024

IEEE CS chapter of our college has conducted a special talk for the second year students on the topic **“Edging Towards a Future of Java”** on 02.03.2024 between 2.00 PM to 3.00 PM at CSE Seminar Hall. The students attended this special talk enthusiastically. Around 90 students took part in this event.

Contest Poster:

A contest poster for a special talk. At the top left is the National Engineering College logo. Next to it is the text 'NATIONAL ENGINEERING COLLEGE' and 'Estd : 1984'. To the right is a '40' anniversary logo and the IEEE Computer Society logo. Below these are the department and chapter names: 'DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING' and 'IEEE Computer Society Student's Branch'. The main title is 'EDGING TOWARDS FUTURE OF JAVA' in a stylized font, with a Java logo to its right. Below the title is the subtitle 'A Special Talk for the Second Year Students'. On the left, event details are listed: 'SATURDAY 02 MARCH 2024', 'TIME 02:00 PM - 03:00 PM', and 'VENUE CSE SEMINAR HALL'. On the right is a circular portrait of Mrs. A. Selvieswari. At the bottom left, her name and title are listed: 'MRS. A. SELVIESWARI (Alumni : MCA Batch 2014) Member Technical Lead, ZOHO Corporation, Chennai'. The background features a large, stylized 'C' shape.

Induction Program

Date: 24.06.2023

Detailed Event Report:

NEC-Mistral Embedded Club organized an induction program on 24.06.2023 (Saturday) at E-yantra lab of ECE department. The program was organized by Mr.A.Divine Ebin Raj (III – Year ECE) and Ms.Chobia Lakshmi (III – Year ECE). Ms.A.Karthika, Hardware Design Engineer and Ms.A.Shobana, Hardware design Engineer from M/s.Mistral Solutions, Bangalore were the chief guest for the induction program and deliver the talk on 24.06.2023. The chief guests started their discussion with the list of subjects to be concentrated for entering into various core companies. It was then followed by explanation of active & passive components and narrated the importance of data sheet for each device. They also added the design of SMPS constructed by them at Mistral company. At the end of session, Dr.S.Tamil Selvi, Prof & Head/ECE informed the students about the importance of the Embedded club and instructed students to learn the concepts with understanding and relate the concept with real time examples. Around 26 students from various departments participated in this program and benefited.

SEMINAR ON EMBEDDED C

Detailed Event Report:

In order to enhance the project skills of students, NEC-Mistral Embedded Club conducted a seminar in the topic, Embedded C. Mr.T.Devakumar Assistant professor (Sr.Grade) from Electronics and Communication Engineering department delivered the talk on 08.07.2023. The seminar discussion started with the basic definition of embedded C, followed by the difference between C and Embedded C. He then highlighted the various data types involved and explained a sample program using the above concept. At the end of session, Mr.T.Devakumar demonstrated a Embedded C program to load a number into Accumulator and to toggle all the bits of P1 continuously to the students. Finally, the coordinators of Embedded Club informed the students about the hardware project contest to be conducted in the next week and insisted the students to participate in the contest. Around 25 students from various departments participated in this program and benefited.

CIRCULAR

NEC-MISTRAL Embedded Club is organizing an **Hardware Project contest** for I, II & III Year B.E/ B.Tech Students in order to give an opportunity to students to exhibit their conceptual design & testing skills. The main objective of this contest is to create a platform for sharing innovative ideas, develop a product and make the students to participate in various project contest like Hackfest, etc. The students who want to build and showcase innovative technology solutions can participate in this program. Interested students can submit their ideas in the following google form link.

Google form link: <https://forms.gle/FPCUDVAG823oadwB9>

e-certificate will be issued to all the participants.

Rules & Regulations:

1. Maximum 3 Participants per team
2. An abstract describing the project not more than 2 Pages is to be submitted for short listing the participants on or before 20.07.2023
3. Selected candidates will be intimated on 27.07.2023
4. Presentation will be conducted for the selected candidates.
5. Selected candidates will be motivated to pursue their project under the guidance of club.

HARDWARE PROJECT CONTEST - FIRST LEVEL SCREENING PRESENTATION

Detailed Event Report:

In order to enhance the project skills of students and exhibit their conceptual design and testing skills, NEC-Mistral Embedded Club conducted a hardware project contest. Dr.I.Sankar, Associate professor of mechanical department shared the guidelines to be prepared for hackathon and evaluated the ideas presented by the students on 09.08.2023. The project discussion started with the basic ideas to develop a project, followed by how to analyze the solution for the problems. Then he evaluated all the ideas presented by the students. At the end of session, Dr.I.Sankar shared his feedback for the projects. Nearly 34 students from ECE department participated in this program and benefited. Based on the suggestions given, it is planned to fine tune the idea further and to conduct a second review presentation by next month.

Date: 10.01.2024

Detailed Event Report:

A tech talk was conducted in the topic **FPGA based embedded systems** on 06.01.2024. Chief guest, S.K. Padma parvathi, Embedded Software Engineer from M/s. Mistral Solution Bangalore, has delivered the content on embedded hardware, FPGA and embedded software through online. In her lecture she briefed the innovation techniques about FPGA and placement of blocks in an IC. Followed by this, she shares her knowledge about interfacing, serial communication and memory. She also highlighted the important topics to be concentrated for placement preparation. She delivered her experience in Mistral solution and told about different domains of works carried out in Mistral. After this, she demonstrated few hardware programs in embedded C and Verilog. At the end of the session the students cleared their doubts on FPGA design. Nearly 20 members attended the tech talk.

CIRCULAR

NEC-MISTRAL Embedded Club is organizing a **User Interface Challenge Contest** for NEC-TECH FEST 2024 to exhibit their conceptual design & testing skills. The main objective of this contest is to create a platform for sharing conceptual understanding skills. The students who want to build and showcase innovative technology solutions can participate in this program.

Rules & Regulations:

1. Maximum 2 Participants per team.
2. Total duration 45 minutes.
3. Best five teams selected for the second round.
4. The final round will be conducted for the selected candidates.
5. Certificates will be issued for all participants.

Rules for Round 1:

1. A block diagram will be given.
2. The identification of the block is also given.
3. The participants have to identify the missing component in the block diagram.

Rules for Round 2:

1. The hardware circuit will be given either in PCB/Breadboard to the participants.
2. The participant has to troubleshoot the circuit.

Rules for Round 3:

1. Specifications of a circuit will be given.
2. The participants should design the circuit according to the specifications.

FOUNDERS DAY CELEBRATION REPORT

Name of the clubs Organized : IE(I) Student Chapter CSE
Event Names : Technical Quiz
Venue : CISCO Lab, CSE
Date & Time : 16.09.2023 (11.15 am – 12.50 pm)

Description about the event conductance:

On Behalf of Founders Day Celebration (16.09.2023), IE(I) Student Chapter CSE Conducted Events for the Welfare for the students. The Winners of the events are mentioned below.

1. TECHNICAL QUIZ:

On the special occasion of Founder's Day, as a part of Founder's Day celebration, a Technical Quiz competition was conducted by the Institute of Engineers(India) student's chapter on 16.09.2023. This is a team event where each team consists of 2 members. The event was hosted at CISCO lab, and it started at 11.15 AM. The students from various departments were the active participants of this event. This quiz event consists of 3 rounds. The questions were taken from the following topics :

- 1) Space Exploration and Aerospace Technologies
- 2) Blockchain and cryptography
- 3) Data Analytics and Predictive Modules.

FIRST ROUND: At the beginning of the first round, there were 56 teams. The first round consists of some general, scientific, and technical questions in the form of MCQs. This round had a total of 30 questions. At the end of the first round, out of 56 teams, the top 25 teams were promoted to the next round.

SECOND ROUND: The second round consists of 20 questions in the form of connections, which depicts some technical words. At the end of the second round, out of 25 teams, the top 10 teams were picked up to the next round.

THIRD ROUND: The third round consists of MCQs as of the first round, but with a little bit difficulty. In this round, 2 additional bonus questions were given, which would help the teams to boost up their scores. As the third round ends, the marks scored by each of the teams were evaluated. Out of these 10 teams, the top

scored 3 teams were chosen as the prize winners. The top 3 teams were awarded certificates and exciting prizes.

How many members participated in the event? :

➤ Technical Quiz : 100

CIRCULAR

It is proposed to conduct programmes on the special occasion of Founder's day on September 16, 2023. In this regard, the students are solicited to take part in this venture. The following event is planned to be conducted.

• Quiz Competition

Students can enroll themselves from the link provided below on or before September 15, 2023 - 12.00 p.m.

For registration in events, Please visit : <https://forms.gle/gEyz93jiiDC45CrND7>

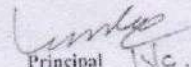

Rules and Regulations:

1. Kindly register with your NEC domain mail for the events.
2. QUIZ Competition Venue: CISCO Lab, CSE Dept. From 11.15 A.M. to 12.00 P.M
3. Protocols for all events:
 - Team Composition: Each team consists of two members.
 - Format: Questions can be multiple-choice, true/false, or open-ended, depending on the competition's preference.
 - Scoring: Teams earn points for each correct answer. Incorrect answers do not result in point deductions.
 - Time Limit: A specific time limit per question may be set, such as 30 seconds to answer each question.
 - Advancement: There are three rounds. The top-scoring teams from this round may advance to the next round.
 - Respect the instructions given by the host.
 - Based on the participation count, time can be extended.
 - Your kind cooperation with the association members is needed to make this day a memorable and joyful occasion.

(An Autonomous Institution – Affiliated to Anna University, Chennai)

Department of Computer Science and Engineering
Institution of Engineers (India) Students' Chapter (Code: 628503)
Academic Year 2023 – 2024

03.10.2023

Name of the clubs Organized : IE(I) Student Chapter CSE
Event Names : **DevDiscovery: Navigating the Coding Maze**
Venue : CISCO Lab, CSE
Date & Time : 30.09.2023 (03.30 pm – 05.15 pm)

Description about the event conductance:

On September 30, 2023, on a Saturday, the IE(I) club CSE organized the DEVDISCOVERY event in the presence of Ms. D. Abisha, Staff Advisor of the IE(I) club CSE. There were 13 teams who took part, and each team had two participants.

Event Organizers:

1. Mithra K - II year CSE
2. Swetha sri - II year CSE
3. Mahalakshmi-II year CSE

FIRST ROUND: The first round is a technological riddles. The players were given puzzles in the first round, and when they solved the riddle correctly, we presented them with a hint as to where the ticket for the following round was located. Each team in the first round successfully solved the puzzle and moved on to the treasure hunt.

SECOND ROUND: Five teams find their tickets in the hunt and selected to the next round. The second round is a puzzle round in which we provided them with a interview puzzle (100 monkey and 100 doors), and the participants solve the riddle.

THIRD ROUND: The three teams that collected their tickets to the following round were chosen to compete in the final round. With three teams competing, the finals were held on the hackerrank platform.

After successfully solving the coding, three teams went in pursuit of the prize ticket, and one team found the winning ticket.

How many members participated in the event? : 26

Feedback from the Participants:

How satisfied were you with the event?

22 responses

What was your favorite experience or moment of the event?

22 responses

Curious and mind blowing

No

Running

Thrilling experience of finding hint notes

Finding for a clue

Crossing each stage successfully

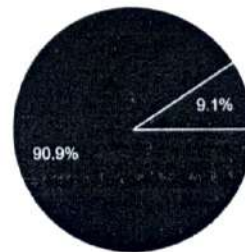

It gives new experience like thinking in different perspective

Searching for the clue very eagerly

Good

Would you want to attend this event again in the future?

22 responses

● Yes
● No

Please share any additional comments, thoughts, suggestions for future events.

22 responses

Allow more number of participants

Can take extra questions

Super

You can give more aptitude questions, if it is possible

Well satisfied with this event. Thank you for the organizers

Treasure hunt is ok. Next time, have some more programs to code and solve.

Like today try to make it but one member will search clue and another member will code for the given problem parallelly...

Conduct these type of events in future also.

Nothing

If Amount Spent Expenditure details – N/A

Attach Attendance Sheet with this document - Yes

Summary:

The event was well organized and successfully conducted with the help of IE(I) Staff Coordinator and Office Bearers and the enthusiastic participants. The organizers and active volunteers played a vital role in the successful completion of this event. The feedback from the participants has been collected. Kudos to all the organizers, volunteers, and all the brilliant minds who made this event a resounding success with an impressive turnout of participants.

Date & Time : 10.02.2024 (2.00 pm – 3.30 pm)

Description about the event conductance:

On February 10, 2024, on a Saturday, the IE(I) and NEC Cyber club CSE organized the CodeCraze event in the presence of Ms. D. Abisha, Staff Advisor of the IE(I) and NEC Cyber club CSE. There were 35 teams who took part, and each team had two participants.

Event Organizers:

1. Uma Maheswari S - II CSE
2. Jaya Chithra N - II CSE
3. Kavi Bharathi M - II CSE

FIRST ROUND: Code Quest

Predict the output was the first round, which was held on the "slido platform" and consisted of 20 multiple-choice programming problems. The participants tried to solve the questions in a curious manner.

SECOND ROUND: Decode Delight

The second round is debugging, where the code was already fixed in the Hackrrank platform. Participants were tasked with rectifying the error provided in the program.

THIRD ROUND: Shadow black

The final task was blind coding, which challenged the participants to type the code without seeing the display screen.

How many members participated in the event? : 70

INAUGURAL PROGRAMME REPORT

The IEEE Computer Society Students' Chapter inaugural function was held for the academic year 2023-2024 on 24-06-2023 (Saturday), at 3 p.m, Assembly hall. The chief guest of the function is **Ms.Maria Justin Mary**, (PG: Alumni 2005 CSE Batch), Lead Software Engineer, Lowe's Services India Pvt. Ltd., Bengaluru, Karnataka. **Dr. V.Gomathi, Professor & Head** delivered a presidential address and honored the chief guest with momento. The Chief Guest, in her speech, provides guidance about the importance of continuous updation in recent technologies. The students from first year CSE, IT and AI&DS have attended. The office bearers and their responsibilities of the IEEE CS student's chapter for the academic year 2023-2024 were announced and also the action plan was discussed.

Dr.V.Gomathi, Prof & Head Honoring the chief Guest **Ms.Maria Justin Mary**, (PG: Alumni 2005 CSE Batch), Lead Software Engineer, Lowe's Services India Pvt. Ltd., Bengaluru.

EXPLORING ORACLE LIVE SQL REPORT

The workshop on "Exploring Oracle LIVE SQL" has been organized through IEEE Computer Society Students' chapter on 27.06.2023 (Tuesday), from 10.00 a.m to 1.00 p.m, in ICL Lab of CSE department. The chief guest of the workshop is **Mr. Karkuvelraja, Director - Training & Special Projects, INOAUG** (Alumni 2014 EEE). **Dr. V.Gomathi, Professor & Head** delivered a presidential address and honored the chief guest. The Chief Guest, in his speech, provides hands-on information about exploring the Oracle Live SQL tools. Totally 82 students from third year CSE, EEE and CIVIL have attended. E-certificate has been provided to all the participants.

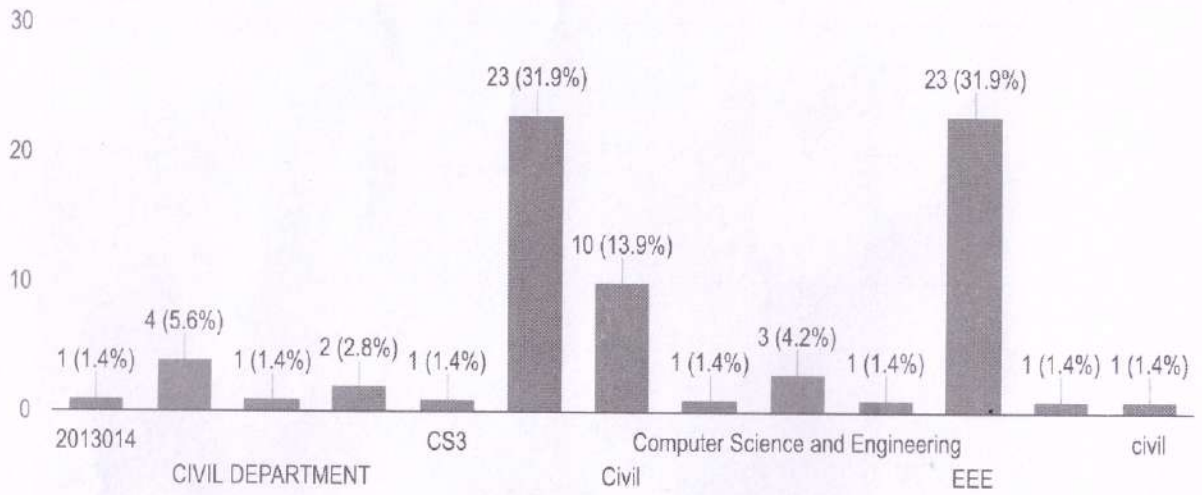

A Student receiving certificate for the workshop from the chief guest Mr. Karkuvelraja, Director - Training & Special Projects, INOAUG and Dr. V. Gomathi, Head of the Department ,CSE

HASH INCLUDE - C Programming

The online Skill Rack Assessment "**HASH INCLUDE**" on C Programming was organized by IEEE Computer Society on 21.07.2023(Friday), from 3.45 p.m to 4.45 p.m in the respective labs of CSE and IT Department. 100 students from both CSE and IT departments have attended this assessment and applied their knowledge on loops in C programming language.

Top performers of the contest are:

S.No	Name of the Student	Department	Rank
1	SHIVRAM U	CSE	1
2	ARUN A	IT	1
3	ARCHANA POWN T	CSE	2
4	MOHAMED IRFAAN A	CSE	2

POSTER CONTEST

Poster Contest on the topic "**Generative AI Tools**" through IEEE Computer Society Students' chapter was conducted on 16.09.2023 (Saturday), from 9.30 a.m to 11.00 a.m, in APJ Lab of CSE department. 64 students from all the departments attended this contest and presented their poster.

Topics are:

AI-The next Transformation, Generative AI for learning and development, Is AI a job savior or destroyer, Top 10 leading AI Products and Role of AI in creative Design

Prize Winner Details

S.No	Student Name	Department	Prize (I/II)
1.	YuvaShri ANNIE GOLDRIN D	ECE/III Year	I

IEEEXtreme Report

IEEEXtreme 17.0 Worldwide Computer Coding Competition preparation series was organized through IEEE Computer Society Students' chapter on every Friday, from **08.09.2023 to 29.09.2023** during 3.30 pm to 5.15 pm, in CSE Department Seminar Hall.

Week 1

Date : 08.09.2023

Session Name : How to secure rank by writing optimum code

Mentor : Mr. S. Sundaram, IV Year CSE

Content:

1. He briefed about what is IEEEXtreme contest

1. Competition

1. Date : Saturday October 28 ,2023

2. Time : 24 hrs (Current day Morning 6 to Next Day Morning 11)

3. Participation:

1. Team Count : MIN = 2 and MAX = 3

2. Programs Solved count is considered for whole Team and Ranking also.

3. Participants should be IEEE Member.

4. Question Pattern

1. Starting from the start of the competition, 2 or 3 counts of question are released, after a span of time like 2/3 hrs.

2. All the released Questions are available for Solving, until the end of the Competition.

3. Questions:

● Questions Count : 25

● Complex in Understanding part

● Tricky

4. Solving methodology

● Any programming Languages are allowed

● Time Limit and Memory Limit are provided for Solving

5. Marks allotment

● Marks allotted for each Test cases passed.

Academic Year 2023-2024

IEEE
COMPUTER
SOCIETY

- Basic marks of N is allotted for Question, and the Basic mark is decreased based on the Solved Count of that particular Question from all the participants.

6. Concepts:

1. Data Structures
 1. Linked List
 2. Arrays
 3. Graph (no further concepts)
2. Gaming Theory`
3. String
4. Basic Algorithms

7. Rules:

1. No pre-defined functions are allowed, like functions in python and other Languages.
2. Both the time and memory limit have to be handled inorder to solve the problem.

8. References

- Previous Year Questions of IEEE Xtreme Competitions.

IEEE CS supported National Level Project Exhibition

20.10.2023

IEEE CS supported National Level Project Exhibition (IEEEPROExpo'23) was conducted on **13.10.2023 (Friday)**. We have received sanction letter from IEEE CS Madras chapter for Rs. 10,000 to organize the event. Totally 100 students from all over TamilNadu and Hyderabad have attended this assessment.

There are 40 batches (105 Students) were participated and present their innovative project works. Out of it, 8 teams were shortlisted for the second round and finally evaluated by the industry expert Mr. Raja Subramanian, Senior Architect, Mistral Solution Pvt. Ltd. The winners were announced. The prize winner's details are,

PRIZE	Project Team And Institution Details	Bank Details	Cash Prize (Rs.)
I	Discovering The Solar System With AR – FX Engineering College	Account Name : MANISH VISHAL G Account Number : 441100250650001 IFSC Code : TMBL0000035 Branch Details : TMB BANK, Thoothukudi Pudukottai Branch-628103	3000
II	Plantify - Mepco Schlenk Engineering College	Name: Aashish S A Account number: 39659608692 IFSC CODE: SBIN0070889 Branch: Villapuram SBI Bank	2000
III	VR color customizable house-Rmk engineering college	Account Name: N.D.Shamyuktha Account Number: 40474447870 Bank branch: Tondiarpet IFSC CODE: SBIN0003306	1000

Good

It's really very good experience and delightful on sharing our knowledge.

Exploring AR and VR lab. It gave more ideas about these concepts

it was very useful for us to improve ourselves

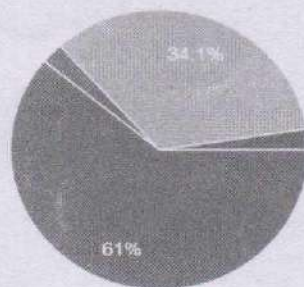

Exploring AR and VR lab gave more ideas about these concepts.

The VR in ARVR Lab was explained to us and the concepts explained were really helpful...

I acquired technical knowledge on the subject what I presented and it boosted my confidence to do more projects in the future events.

Good

This checks my critical thinking and programming skill

It was useful

first conduct the easy level to programs in one week. then medium,hard level of programs conduct next week so in this manner easy to learn

Problems were easy to understand and solve.

THIS HELP US TO KNOW OUR SKILL SET

it lead us to improve our program understanding skills

Good

IEEE Computer Society Students' Chapter Academic Year 2023-2024

06.03.2024

IEEE CS chapter of our college has conducted a special talk for the second year students on the topic “Edging Towards a Future of Java” on 02.03.2024 between 2.00 PM to 3.00 PM at CSE Seminar Hall. The students attended this special talk enthusiastically. Around 90 students took part in this event.

Contest Poster:

The poster is for a special talk titled "Edging Towards a Future of Java". It features the logos of National Engineering College, its 40th anniversary, and the IEEE Computer Society. The text includes the department name, the branch name, the event title, the date (Saturday, 02 March 2024), time (02:00 PM - 03:00 PM), and venue (CSE Seminar Hall). A circular portrait of Mrs. A. Selvieswari is shown on the right side. At the bottom, a dark arrow-shaped box contains her name and details: (Alumni: MCA Batch 2014), Member Technical Lead, ZOHO Corporation, Chennai.

Report

- Literary club of our college has conducted "Lexicon Hunt" for I year B.E / B.Tech students. The objective of this event is to enhance vocabulary skills by giving different tasks.
- The first round was a slide show presentation where the students will identify the word.
- Students actively participated in dumb charades, where they were able to use the dias for presenting themselves before others and identified the phrases.
- 60 students had given their participation and this event greatly helped to develop their communication skill and allowed them to speak in front of people without fear.

FEEDBACK

The event went really interesting
It greatly helped us to develop our
vocabulary skills in an entertaining
way. I was able to speak in
front without any fear. I expect
more such events to build my
confidence.

Event Report :

- The inaugural function of the Literary Club for the Academic year 2023-2024 was held on 8th July 2023(Saturday) in the Assembly Hall.
- The Chief Guest of the day was Ms. Suriya. S, Senior Inspector of Cooperative Societies and an Alumni- 2018 batch from the EEE department. She is the winner of the ICTACT 2015.
- The Chief guest made an interaction with the students by speaking on how communication plays a vital role in our day to day activities and how not being able to communicate properly makes us miss opportunities.
- She conducted activities like looking at a picture and describing in a line including frames from movies and story framing where the students were asked to develop the stories told by one student.
- She concluded her speech by sharing her experiences from the ICTACT youth talk 2015.
- The video for the lauch of the office bearers for the year 2023-2024 was launched by the chief guest.

EVENT REPORT

Event: Tell a story

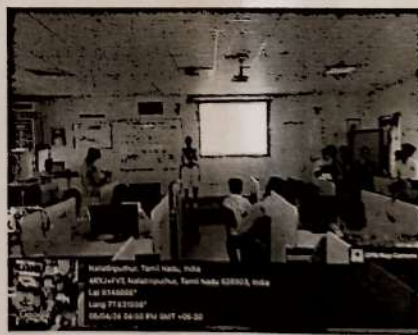

Date: 17.02.2024

Venue: English Lab, S&H dept

TELL A STORY

- ◆ Storytelling is an effective means of communication, enabling individuals to share experiences, ideas, and perspectives.
- ◆ Personal anecdotes, for instance, can help convey messages in a relatable and memorable manner.
- ◆ Inspirational stories often serve as reminders of the potential for growth and resilience in the face of challenges.

EVENT REPORT

Event: Verbal Ability

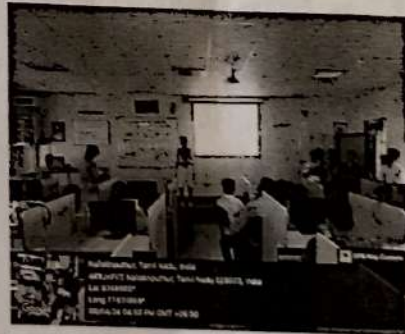

Date & Time: 24.02.2024 & 4:pm

Venue: English Lab, S&H dept

VERBAL ABILITY

- Verbal ability enables individuals to articulate thoughts, ideas, and emotions clearly and effectively.
- Proficiency in verbal ability is closely linked to academic achievement.
- Strong communication skills facilitate successful interactions in both personal and professional settings, fostering better relationships and collaboration.
- Verbal ability is intertwined with critical thinking skills, as it involves analyzing, synthesizing, and evaluating information.

EVENT REPORT

Event: Cloze Test

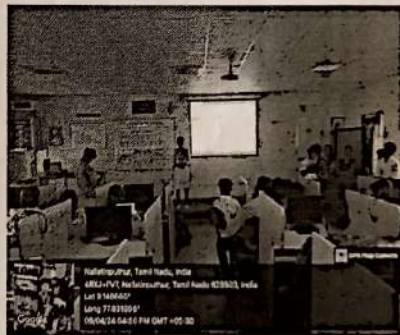

Date & Time: 04.03.2024 & 4p.m

Venue: English Lab, S&H dept

CLOZE TEST

- Cloze test effectively evaluate a learner's understanding of context and comprehension skills.
- By requiring the learner to fill in the missing words, instructors can gauge how well the learner understands the overall meaning of the text.
- Completing cloze tests requires learners to read and process text quickly and accurately.
- Regular practice with cloze tests can help improve reading fluency by encouraging learners to read more efficiently.

EVENT REPORT

Event: Homophones

Date & Time: 13.04.2024 & 4p.m

Venue: Seminar hall, S&H dept

HOMOPHONES

- ❖ Utilizing homophones encourages cognitive flexibility, as it requires individuals to think about language in terms of sound, context, and meaning simultaneously.
- ❖ This can strengthen linguistic skills and improve problem-solving abilities.
- ❖ By substituting a difficult word with a homophone, speakers can communicate more fluently and naturally.
- ❖ Their similarity in sound but difference in meaning allows for clever and humorous interpretations, adding depth and amusement to language.

Event 1 : Essay Writing

Venue : Reading Hall, Central Library

Date & Time : 04/09/2023 (11:00 AM – 12:30 PM)

Event 2 : Poster Presentation

Submission : Online on or before 04/09/2023 (1 PM)

Detailed Report on the event:

Our Indian Space Research Organization (ISRO)'s third exploratory lunar mission, Chandrayaan-3 achieved another historic feat as the "Vikram" lander module of the spacecraft, carrying Pragyan rover successfully detached from the propulsion module in its onward lunar journey on Wednesday, 23rd August 2023. To celebrate this remarkable accomplishment, our college organized 'CHANDRAYAAN MAHOTSAV' programme on 4th September 2023 for the students to gain insight into space exploration. As a part of it our Science Club and ECE Association conducted the following competitions. Totally 43 students participated in the essay writing competition from various departments and 26 participants for the poster presentation prize winners details are given below .

Prize Winner Details: Essay Writing

S.No	Student Name	Year	Department	Prize (I /II)
1.	Prem Arasu S.K	III	IT	I
2.	Devi Guru R	I	EEE	II

Prize Winner Details: Poster presentation

S.No	Student Name	Year	Department	Prize (I /II)
1.	Vijaya Rani.B	I	EEE	I
2.	Bhuvanesh.L.V	II	ECE	II

The prize winners received the prizes and certificates from the chief guest of the day Mr B Jobel Ratnam Scientist/ Engineer SG Group Head ESSTI, ISRO Mahendragiri. The Science club and ECE Association coordinators and volunteers organized the events.

1. Is this the first time you have attended the event?
Yes No

2. Overall I found this competition to be a pleasing experience.

1	2 <input checked="" type="checkbox"/>	3	4	5	6
---	---------------------------------------	---	---	---	---

3. The event helped to broaden my Non - Technical perspective

1 <input checked="" type="checkbox"/>	2	3	4	5	6
---------------------------------------	---	---	---	---	---

4. I learned something new about Non - Technical aspect that changed my perspective by attending this event.

1 <input checked="" type="checkbox"/>	2	3	4	5	6
---------------------------------------	---	---	---	---	---

5. The event was intellectually/creatively stimulating.

1	2 <input checked="" type="checkbox"/>	3	4	5	6
---	---------------------------------------	---	---	---	---

6. I would recommend that we do this again.

1 <input checked="" type="checkbox"/>	2	3	4	5	6
---------------------------------------	---	---	---	---	---

7. What did you like best, or find most meaningful about the event?
This event helps us to explore ourselves and gave me opportunity to express my talent towards writing essay

8. Do you have any suggestions; how could this event be made better?
Yes, This event can be on-spot which could even more interesting.

FOUNDER'S DAY CELEBRATION REPORT 2023

Name of the clubs Organized : Science Club
Event Names : Tech Talks
Venue : S&H Seminar Hall
Date & Time : 16.09.2023 (11 am to 1.30 pm)

Description about the event conductance:

In recognition of the 87th anniversary of birth of our **Founder Kalvithanthai Thiru K . Ramasamy** our Science Club organized the "TECH TALKS" event which is an innovative and successful learning practice introduced to provide knowledge dissemination platform for our students. 24 students of 12 teams participated in the event and delivered talks on the given titles

Title 1 : "Smart Farming Technologies for Sustainable Agriculture"

Title 2 : "Role of Technology and Innovation for Sustainable Food System"

The students' talks insisted smart agriculture process using latest IoT technologies, IoT ecosystem architecture framework for smart agriculture, benefits of technologies to sustainable food system etc., Dr B. Annaraj AP(SG) Dept of Chemistry was the jury and at the end he addressed the students and emphasized the basic accomplishments of smart farming in terms of sustainable agriculture such as crop rotation, the control of nutrient deficiency in crops, the control of pests and diseases, recycling and water harvesting leading to an overall safer environment. The science club coordinator and students volunteers conducted the event and certificates were issued for all participants. The winners were awarded with prizes and certificates.

National wild life week Event - Report

Name of the clubs Organized : SCIENCE CLUB

Event 1 : **Drawing** - "Conserve our planet and sustain all life in it"

Venue : Drawing Hall, Dept of S&H

Date & Time : 07/10/2023 (Saturday), 2-3.30 pm

Event 2 : **Idea Presentation** - "Conservation of Flora and Fauna"

Venue : Sense Edge AV Hall (Hall no 3) Dept of S&H

Date & Time : 07/10/2023 (Saturday), 2.30-5 pm

Detailed Report on the event:

In observation of national wild life week (Oct 2 - 8, 2023) our Science club organized the above events which aimed at raising awareness about the importance of wildlife conservation in India. This year's theme, "Partnerships for Wildlife Conservation," reflects the collaborative efforts required to protect and preserve the nation's rich biodiversity. The aim of this competition was not merely to see the creative aspect but also to trigger the thought process of the students and sensitize them towards these burning & serious issues such as deforestation and hazards against wildlife. Competitions of the sort increase the observational skills, response to thoughts, awareness and concern of the students towards national environmental issues. The juries for Drawing competition were Mrs. Meenakshi AP/Maths and Dr M Ganapathy AP/Phy. For Idea Presentation Dr. V Rama Subbu AP/Phy and Dr. S Rajkumar AP/Chem evaluated the presentation of the students.

The Science club coordinators Dr. A.P.V Rakkini AP(SG)/Phy and the students volunteers organized the events more than 50 student participated in the events and nearly 50 students were audience. The prize winners and the participants were issued e-certificates.

Tech Fest 2K23 Events (Intra)- Report

Name of the clubs Organized : SCIENCE CLUB

Event 1 : Intellect Quest (Technical Quiz)

Venue : Smart classroom, Dept of S&H

Date & Time : 02/12/2023(Saturday) ,2-3.30 p.m.

Event 2 : Circuitrix (Circuit components identification)

Venue : Physics lab ,Dept of S&H

Date & Time : 02/12/2023(Saturday), 2-3.30 p.m.

Event 3 : Craft your mark (Logo Designing)

Venue : Drawing Hall, Dept of S&H

Date & Time : 02/12/2023(Saturday), 11.15 a.m.-12.45 p.m.

Detailed Report on the event:

On 02/12/2023, our Science club hosted the Tech Fest 2K23, an intra collegiate competition dedicated to the exploration and advancement of science and technology. This intellectual convergence brought together the enthusiasts to delve into the latest developments and innovations in the field. The event focused on making the students knowledgeable on the various fields of science as a part of their preparation. Intellect quest and circuitrix were composed of four rounds each which provided the participants with an intense competitive journey. The multifaceted nature of the competition not only demanded expertise but also encouraged the participants to adapt swiftly, creating an environment that epitomized the spirit of true competition. Logo designing competition was given on the topic "National Science Day" which enabled the students to showcase their creativity and exceptional designing skills.

The Science club coordinators Dr. A.P.V Rakkini AP(SG)/Phy and the student volunteers organized the events. More than 50 students participated in the events and nearly 50 students were in the audience. The prize winners and the participants were issued e-certificates.

Prize Winner Details: Intellect Quest

S.No	Student Name	Year	Department	Prize (I /II/III)
1.	Ashok Kumar & Ashwin	I	MECHANICAL	I

Date: 29/11/2023

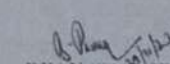

Our Science club organizes the following technical events as it gives a platform to young brains to showcase their innovative ideas and compete with their peers. The main objective of the program is to promote critical thinking and practical skills through real life problems. e - certificate will be issued for all participants.

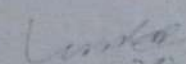

- Event 1: INTELLECT QUEST (Technical Quiz)**
Rule: Two participants per team and Two teams per class
Venue: Smart Classroom, Dept of S&H
Date & Time: 02/12/2023 (Saturday) bet'n 2-3:30pm
- Event 2: CIRCUTRIX (Circuit components Identification)**
Rule: Two participants for a team, Any number of teams can participate
Venue: Physics Lab Dept of S&H
Date & Time: 02/12/2023 (Saturday) bet'n 2-3:30pm
- Event 3: CRAFT YOUR MARK (Logo Designing)**
Rule: single participant, use pencil
Venue: Drawing Hall, Dept of S&H
Date & Time: 02/12/2023 (Saturday) bet'n 11- 15 am -12:45 pm

Events are Mapped to: PO-1 Engineering Knowledge
PO-9 Individual and Team Work

Time and

: 09.12.2023 (Saturday), 2 - 3:30 p.m.

Venue

: Smart Classroom, Department of Science and Humanities.

Detailed report of the event:

On 09.12.2023, Seminar hall played host to an enlightening seminar featuring Dr. Vijayalakshmi Chelliah, a distinguished resource person in Drug Discovery and Development. The purpose of the event was to delve into the applications of engineering principles in Biology. Dr. Vijayalakshmi Chelliah is based in Cambridge, UK and currently working as a Senior Director at Certara Quantitative Systems Pharmacology (QSP) division. QSP has had a sizable impact on drug development, where it combines computational modeling and experimental methods to explore the relationship between a drug and the biological system and facilitate the investigation of different therapeutic approaches in virtual patients. She led the BioModels Project at EMBL-European Bioinformatics Institute, Cambridge prior to starting at Certara. This event focused in providing the students with wider career opportunities. The seminar was significantly enhanced by the esteemed presence of Dr. S. Thalamuthu, Associate Prof. (Chemistry) and Dr. S. Geetha, Assistant Prof. (Mathematics). Interaction with faculty members by Dr. Vijayalakshmi Chelliah, Senior Director, QSP, Certara, UK. on Data science and bio informatics : opportunity in science space was conducted in the afternoon and about 20 faculty members of the department interacted with the resource person,

The Science club coordinator Dr. A. P. VRakini AP (SG) / Phy and the students volunteers organized the event. Students from the departments of B.E. Computer Science and Engineering and B.Tech. Information Technology were the audience of the seminar who had an active and

enthusiastic participation.

Date: 07/12/2023

The Department of Science and Humanities and Science club jointly organizes expert talk for students and interaction session for faculty members on the topics mentioned below by resource person Dr. VIJAYALAKSHMI CHELLIAH, Senior Director, Quantitative Systems Pharmacology (QSP) Cectara - UK. In this regard, interested students and faculty members are requested to attend the programme in the scheduled time.

Programme 1: Expert Talk
Topic: Drug Discovery and Development: Application of Engineering Principles in Biology
Participants: CSE & IT Students
Venue: Seminar Hall, Dept of S&H
Date & Time: 09/12/2023 (Saturday) 11.15 am -12.50 pm

Programme 2: Interaction with Faculty Members
Topic: Data Science and Bio Informatics: Opportunities in Science Space
Participants: Faculty Members Dept of S&H, CSE, IT
Venue: Smart Class Room, Dept of S&H
Date & Time: 09/12/2023 (Saturday) 2.00 - 3.30pm

Programme is Mapped to: PO: 9 The Engineer and Society

Feedback::

The Expert Dr Vijayalakshmi Chellaih (senior Director, QSP, Certara, UK) talk on Drug Discovery and Development: Application of Engineering Principles in Biology was really a new concepts for all computer science and engineering year students and specially enlightening those who are deciding upon their field of interest for further studies in bio-informatics. I was glad to be an audience of this talk and thank the expert for expanding our horizons of our knowledge and also thank the organizing faculty to achieve what we couldn't have during limited lecture slots. - It was very informative as well as interesting. Live examples made it very easy to understand the concepts. - Himani Gupta I CSE

Although I have little knowledge in this area, still I could grasp the complete talk. - Wonderful content and very well presented talk. The speaker was really down to earth and very honest about her knowledge. - She clearly explained the recognition of new molecular entities that may be of value in the treatment of diseases that qualify as presenting unmet medical needs. - Jyostna I Civil Engg.

National Science Day Event - Report

Name of the clubs Organized : SCIENCE CLUB

Event 1 : Video Presentation - 'Amazing Scientific Facts'

Venue : Seminar Hall, Dept of S&H

Date & Time : 02/03/2024(Saturday) ,2.00 -5.00 p.m.

Event 2 :Poster Designing -'Indigenous Technologies For Viksit Bharat'

Venue : English Lab, Dept of S&H

Date & Time : 02/03/2024(Saturday), 2.00-4.30 p.m.

Detailed Report on the event:

On 02/03/2024,our Science club hosted the National Science day events,a program dedicated to the exploration and advancement of science. This intellectual convergence brought together the enthusiasts to delve into the latest developments and innovations in the field. The event focused on making the students knowledgeable on the various fields of science as a part of their preparation. Video Presentation were composed of single round where competitors showcased their talent through their creative video .The multifaceted nature of the competition not only demanded expertise but also encouraged the participants to adapt swiftly, creating an environment that epitomized the spirit of true competition. Poster making competition was given on the topic "Indigenous Technologies For Viksit Bharat" which enabled the students to showcase their creativity and exceptional designing skills.

The Science club coordinators Dr. A.P.V Rakkini AP(SG)/Phy and the student volunteers organized the events. More than 50 students participated in the events and nearly 50 students were in the audience. The prize winners and the participants were issued e-certificates.

Title chosen about the presentation & energy utilization of solar cell

Instructions: Please indicate your level of agreement on the following scale:
1. Strongly Agree
2. Agree
3. Neutral
4. Disagree
5. Strongly Disagree
6. N/A

1. Is this the first time you have attended the event?
Yes No

2. Overall I found this competition to be a pleasing experience.

1	2	3	4	5	6
					6

3. The event helped to broaden my Technical perspective.

1	2	3	4	5	6
					6

4. I learned something new about Technical aspect that changed my perspective by attending this event.

1	2	3	4	5	6
					6

5. The event was intellectually/creatively stimulating.

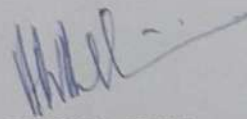

1	2	3	4	5	6
					6

6. I would recommend that we do this again.

1	2	3	4	5	6
					6

7. What did you like best, or find most meaningful about the event?
I liked / saw the presentation about Energy utilization of solar cell

8. Do you have any suggestions; how could this event be made better?

Event 1	: Seminar - Sustainable Materials & Devices
Venue	: Seminar Hall, Dept of S&H
Date & Time	: 22/03/2024(Friday) ,11.15 - 12.45p.m
Event 2	: Poster Presentation - FUTURE FUSION : Harmonizing Technology, Art and Sustainability for a Transformative Tomorrow
Venue	: Drawing Hall, Dept of S&H
Date & Time	: 22/03/2024(Friday) ,2-5.15p.m

Detailed Report on the event: DAY 1

On 22/03/2024 and 23/03/2024 CHENMAPH, an inter College symposium was conducted on behalf of science and humanities department. The symposium included both technical and non technical events. On the first day three technical events and two non technical events were conducted in a successful manner. The first year symposium started off with the workshop by Mrs.Jeba, soft skill trainer. The workshop titled 'unleashing authentic voice' aimed on improving one's communication and soft skills. The event was continued by a seminar on sustainable materials and devices by Dr.A.Nichelson (AP/SG PHYSICS, S&H). The seminar was packed with a number of information about the sustainable materials and devices and also the recent developments in these technologies. The afternoon session included poster presentation 'future fusion' on the theme 'harmonizing technology, art and sustainability for a transformative tomorrow'. It acted as a very useful platform where every participants came up with their ideas expressed in an artistic and creative manner. Simultaneously turn on non technical events lingo fighters and unleash took place in the afternoon session which engaged all the participants in an innovative manner. All these events focused on providing each and every participants with a good platform to learn various new things and improve their communication skills which would help them in upcoming days of their life.

The science club coordinator Dr A P V Rakkini AP(SG)/ Phy, Mr Sivabalan AP/ Maths and the literary club coordinator Mrs.S. Jeba Soft skill trainer along with the volunteers of the particular clubs organized the events in a successful manner. Over 193 participants participated on the first day events.

CHENMAPH

Organized by S & H Association, Science Club, Maths Club and Literary Club

DAY 1 (22/03/24) - Feedback

Participant Name: S. Deva Veera Kumar / 1st year CSE
 Email ID: vinoth.karason1970@gmail.com / 7739785324
 College Name: Chimbalore Institute of Engineering and Technology
 Programme/Event Participated: Poster Presentation Technology

Instructions: Please indicate your level of agreement on the following scale

- 1 Strongly agree
- 2 Agree
- 3 Neutral
- 4 Disagree
- 5 Strongly Disagree
- 6 N/A

1. Is this the first time you have attended the event?
 Yes No

2. Overall, I found this programme/competition to be a pleasing experience
 1 2 3 4 5 6

3. The event helped to broaden my Technical perspective
 1 2 3 4 5 6

4. I learned something new about Technical aspect that changed my perspective by attending this event
 1 2 3 4 5 6

5. The event was intellectually/creatively stimulating
 1 2 3 4 5 6

6. I would recommend that we do this again
 1 2 3 4 5 6

7. What did you like best, or find most meaningful about the programme / event?
The value we got

8. Do you have any suggestions, how could this programme / event be made better?
Nothing

Event 1 : Seminar on Applications of Polymers in Engineering field

Venue : Seminarhall, Dept of S&H

Date&Time : 23/03/2024(saturday) , 11.15-12.45p.m

Event 2 : Project Presentation (Technical)

Venue : Drawing Hall, Dept of S&H

Date & Time : 23/03/2024(saturday) , 2-5.15p.m

Detailed Report on the event: DAY 2

On the Day 2, 23rd of March 2024, CHENMAPH, the proceedings on the second day commenced with a workshop titled “Accelerate Your Career with Aptitude” conducted by Mr. Muralidharan, Director of Connect Training Solutions. The workshop aimed at refining participants' aptitude and problem-solving ability. Following this, Dr. Ramachandran, an esteemed faculty member in Chemistry, delivered a seminar on “Applications of Polymers in Engineering”. The seminar delved into the intricacies of Polymers, elucidating recent advancements in these domains. During the afternoon session, a project presentation themed “Tech Odyssey” provided a platform for participants to articulate their ideas creatively, blending technology, art, and sustainability for a transformative future by showcasing their projects. Concurrently, two non-technical events, “Block and Tackle” and “Memography”, unfolded, captivating participants in innovative engagements. The meticulous organization of these events was orchestrated by the science club coordinator, Dr. A. P. V. Rakkini, Mr Sivabalan AP/ Math and the literary club coordinator, Mrs. Jeba, in collaboration with dedicated volunteers. Over 203 participants graced the second day, each afforded a valuable opportunity to expand their knowledge, hone their communication skills, and foster personal growth.

BRAIN TEASER EVENT REPORT

15-07-2023

On behalf of IE(I) Student's Chapter Association in the Department of Civil Engineering, a BRAIN TEASER contest was conducted for all the students based on the Fundamentals of Civil Engineering.

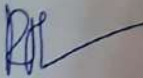

The event was conducted on 15-07-2023 (Saturday) in the Department of Civil Engineering at Seminar Hall from 3.45 pm - 5.15 pm. On a whole 60 students gathered at the venue and all the students attended the Contest.

The event started at 3.45 pm. The In-charge faculty welcomed the students and shared the PPT for the event. The students who scored higher marks were shortlisted for the Final Round. The first three students who got higher scores were selected as winners.

The namelist of the Prize winners are as follows:

1. Arun - III Yr Civil
2. Kodeeswaran Kani - III Yr Civil
3. Lokesh - III Yr Civil
