17.10.2025

The **Prevention of Sexual Harassment (POSH) Cell** of our college organized a Guest Lecture on “**Gender Equality and Inclusivity**” on 16th October 2025 for the second-year girl students. The primary objective of the program was to create awareness about gender sensitivity, inclusivity, and respectful behavior among students, and to emphasize the importance of ensuring a safe and supportive environment within the campus.

The session was graced by **Dr. V. Kalaivani, Professor and Head, Department of Artificial Intelligence and Data Science, and Chairperson of the POSH Cell**, who presided over the function. In her presidential address, she highlighted the crucial role of students in fostering mutual respect, equality, and inclusivity in academic and social spaces.

The guest speaker, **Dr. V. Gomathi, Professor and Head, Department of Computer Science and Engineering**, delivered an insightful lecture on the importance of understanding gender perspectives and promoting inclusivity in every aspect of life. She explained how gender equality contributes to personal growth, social harmony, and professional success. Through real-life examples and interactive discussions, she motivated the students to break stereotypes and stand up against discrimination or unfair treatment.

A total of 153 students enthusiastically participated in the event. The session was highly interactive, with students openly sharing their thoughts, seeking guidance, and clarifying their doubts regarding the issues they face in society.
